

Financial Report for July 06 – June 07

Attached are the Financial Accounts for the year ended June 2007.

The accounts show a loss of \$17903 for the year.

When you examine the program results you will see that Occ Care lost \$24287. The problem at Occ Care has now been rectified as you will see from the July/Aug Accounts.

With all the drama in 2006/7 I think we came out a lot better than it could have been.

Cheers,

John Ferguson.
